Kindergarten Session Request Form 2020-2021 School Year

Fred C. Underhill School will be offering 1 session of full-day kindergarten as a pilot for the 2020-2021 school year. There will be 20 slots available for the full-day session. A **lottery process** may be used to select students for the pilot if we receive more requests than there are slots. The Hooksett School Board is examining the possibility of adding more full-day kindergarten sessions if budget funds are available. Parents must submit this request form to have their child entered into the lottery for full-day kindergarten. Please select one of the options listed below. Lottery requests for full-day kindergarten will be accepted between February 10, 2020 and March 18, 2020. The lottery selections will then be made and parents will be notified of the outcome in writing through the mail. Once the full-day kindergarten slots have been filled, a wait list will be generated for the remaining students in the event there is an opening. Students enrolled after the deadline will be assigned to either full-day or half-day session dependent on availability. Requesting a specific session does not guarantee placement in that session.
