William J. Rearick
Superintendent of Schools

Margaret W. Polak
Assistant Superintendent

Amy R. Ransom
Business Administrator

Dear Underhill Families and Staff,

I want to take this opportunity to inform you that students will be allowed to return to school tomorrow, September 24, 2020, with the exception of one classroom of students. Students in this classroom will be allowed to return once the NH Department of Health and Human Services (DHHS) has completed the contact tracing process. We hope the process is completed by tomorrow. Families of those in this classroom will be contacted by the building administration.

If you have any further questions, please contact Principal Loi at 623-7233 or bloi@sau15.net.

Sincerely,

William J. Rearick
Superintendent of Schools
